DEBRA TAYLOR ATTENDS THE 2014 ADVANCED WEALTH MANAGEMENT SYMPOSIUM IN NEW ORLEANS

Franklin Lakes, NJ – December 4, 2014 – Debra Taylor of Taylor Financial Group recently attended the Advanced Wealth Management Symposium (AWMS) hosted by LPL Financial, the nation's number one independent broker-dealer (*as reported by Financial Planning magazine, June 1996-2014, based on total revenue*).

The conference was held in New Orleans, November 17-19, 2014, and was attended by 125 of LPL Financial's top advisors, who met to listen to portfolio managers, economists and practice management coaches discuss the current state of the market and the future outlook. Economists from LPL's Research Department discussed the stages of an economic recession and the recovery phase we are currently in. The speakers assured us that our current bull market remains strong, but reminded us that we should brace for volatility with a positive outlook, viewing it as more of a buying opportunity than anything else. “Attending AWMS was enlightening and encouraging,” says Taylor. “I was honored to attend.”
