Going North on 680...

1. Take the Crow Canyon Road exit.
2. Turn right, onto Crow Canyon Road.
3. Stay in the rightmost lane so you can turn right, onto Crow Canyon Place.

Go to Crow Canyon Place instructions.

Once you're on Crow Canyon Place:

1. Make the first possible right. It is a 4-way intersection.
2. Go straight until you reach the end of the cul-de-sac.
3. You will see a large building straight ahead, with Canyon Place in large letters on its front, the number 3180 on the top left of the building, and fountains out front. This is our building!
4. If you enter the building through the front (fountains side, shown below), you should see the elevator. The elevator is in the center of the building; we are on the second floor in Suite 220, illogically between suite 250 and suite 255. When you exit the elevator turn left, then left towards the drinking fountains, then right.
