\$260,000	\$22,000	\$11,750	53%
\$280,000	\$23,333	\$12,600	54%
\$300,000	\$25,000	\$13,500	54%
\$320,000	\$26,667	\$14,300	54%
\$340,000	\$28,333	\$14,850	52%
\$360,000	\$30,000	\$15,000	51%
\$380,000	\$31,667	\$15,550	49%
\$400,000	\$33,333	\$16,000	48%
\$540,000	\$41,667	\$18,000	43%
\$600,000	\$50,000	\$20,000	40%
\$900,000	\$62,500	\$25,000	40%

Explanatory Note: "Earned Income" means the compensation (W-2 income) received for the work or personal services after business expenses (net Schedule C income), but before any other deductions, as reported for federal tax purposes on IRS form 1040. Defined contribution retirement plan contributions and S-Corp non-passive dividend distributions as reported on Schedule E may be added to earned income.
