Timothy Herbert Financial Group has announced the launch of the Scott D. Torosian Scholarship in partnership with Eastern Michigan University. Scott Torosian is the Associate Wealth Advisor at Timothy Herbert Financial Group and has been an integral part of the firm for more than eight years. The scholarship will award \$4,000 to qualifying students enrolled in the College of Business at Eastern Michigan University, Torosian's alma mater.

Scott Torosian began his financial career at Timothy Herbert Financial Group after graduating from Eastern Michigan University with a degree in finance. He faced a number of financial struggles while navigating through his college journey. In order to pay for his room and board, he worked diligently in the student dining services on campus

while taking a full course load of intense classes.

For this reason, Torosian created the scholarship as a way to give back to the institution that provided him with a first-class education, and to encourage and reward students that consistently work hard to overcome obstacles and stay focused on investing in their future.
